

This drawing is the property of BCH ELECTRIC LIMITED and should not be copied in any form nor three dimensional articles be made without prior written permission from BCH ELECTRIC LTD

Technical drawing of a rectangular plate. The overall length is 600. The overall width is 100. There are four circular holes, each with a diameter of 20 mm. The holes are located at the top and bottom edges, with two holes on each edge. The distance between the centers of the two holes on each edge is 150. The distance from the left edge to the center of the first hole on each edge is 150. The distance from the right edge to the center of the last hole on each edge is 150. The text "Ø20 MM HOLE WITH RUBBER GROMMET AT TOP AND BOTTOM" is written next to the leftmost hole.

Technical drawing of the back of the table. The drawing shows a rectangular frame with dimensions 120 (width) and 115 (height). The total width of the back panel is 285, and the total height is 300. A callout (3) points to the corner joint. The back panel is shown with four screws (2) for assembly.

FRONT VIEW

Technical drawing of a rectangular frame. The overall width is 575 and the overall height is 225. The frame consists of four vertical sections, each 279 wide. The top and bottom sections are labeled with a callout: $\varnothing 4.2$ At 12.5MM PITCH. The drawing shows a series of small circles along the top and bottom edges, representing rivets or bolts.

4P) REAR

=560=

=260=

Technical drawing of a rectangular frame. The overall width is 585. The overall height is 495. The frame consists of two horizontal members (labeled 2) and two vertical members (labeled 1). The vertical members are connected by three horizontal members. The distance between the first and second horizontal members is 165. The distance between the second and third horizontal members is 195. The distance between the third and fourth horizontal members is 165. The total distance between the first and fourth horizontal members is 525. A detail 'A' is shown at the top right corner, indicating a specific connection or joint.
